

Case Automobile

For seventy odd years the J. I. Case Threshing Machinery Company, of Racine, Wisconsin, have been sending into the markets of the world machinery that has stood the tests of time without faltering. It has always done exactly what they have claimed for it. Today there are thousands of men employed in their immense factories at Racine. The accumulation of years of honest, conscientious endeavor to produce machinery has inspired the confidence of the purchasers in their productions.

**FARM MACHINERY.** Today thousands of farms are filled by means of Case farm machinery. The Case farm tractor, shown herewith, using oil instead of coal, is in general use all over the west. A complete plowing outfit was placed at Hemingford just a few days ago.

# CASE

Case Road Grader

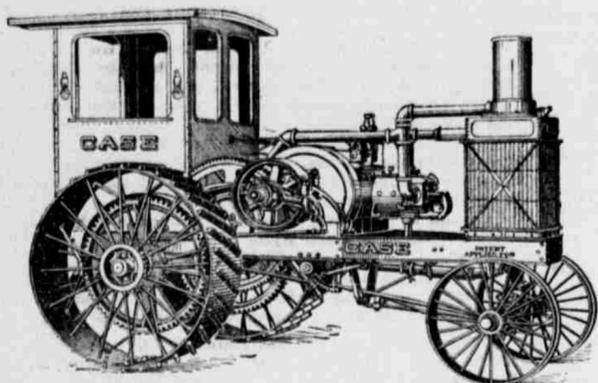

**ROAD MACHINERY.** In making roads and doing grading much money and time can be saved by the intelligent selection of the machinery most suitable. Before buying machinery of this kind it pays to investigate that manufactured by the Case Company.

**AUTOMOBILES.** The adding of automobiles to the Case line of products did not burden them with the expenses of selling, for the immense Case organization simply took them over without the necessity of creating the immense executive, sales and advertising departments which are so tremendous to the ordinary automobile manufacturer. The Case line of automobiles consists of

Case Complete Forty, Five Passenger,  
Price F. O. B. Factory ..... \$2,300

Case Complete Forty, Seven Passenger,  
Price F. O. B. Factory ..... \$2,500  
Case Complete Thirty-Five, Five Passenger,  
Price F. O. B. Factory ..... \$1,850  
Case Complete Twenty-Five, Five Passenger,  
Price F. O. B. Factory ..... \$1,250

An inspection of a Case car, different models of which can be seen at our salesrooms at the Speedway Garage, will convince you that these cars give you more real actual value for the money than cars which sell for much more money. We will be glad to give you a demonstration at any time. Case cars are classy, comfortable, speedy, reliable and dependable at all times.

### CHADRON STATE NORMAL

Herald Correspondent at Chadron Gives Latest News Normal Happenings

Chadron, Nebr., May 29—Miss Bessie Frary of the class '13 retains her position at Chambers for the coming year.

Each class spent most of last week in reviewing for the examinations which took place Monday and Tuesday of this week.

Almost all of the assembly periods were given over to the senior class last week for preparation of the music for commencement week.

The boys of manual training class finished their last piece of woodwork Thursday. Class A took home three finished pieces, a mission candle stick, book rack, and plate rack. These pieces are beautifully stained and waxed. On a whole, the work has been most gratifying, and the faculty is highly satisfied with the results.

The music furnished for the exercises of commencement week was of unusual merit this year, the very best in the history of the school. Selections from the best composers, and such as required faithful interpretation, were chosen by Miss Copeland, the directress, and rendered by the glee clubs and quartets with musicianly spirit. Mrs. Chapman assisted in solo work, and Miss Swedberg with artistic accompaniments and a piano solo of unusual merit.

The baccalaureate sermon was preached Sunday evening by Dr. B. M. Long of the second Presbyterian church of Lincoln. The opening number was a quartet by Mendelssohn entitled "Oh Rest in the Lord". It was beautifully rendered by the Misses Copeland and Pollock and Messrs. Irwin and Bowman. Following this the glee clubs and Spohr's "As Pants the Hart", with Mrs. Chapman as a charming soloist. The invocation was then given by Rev. Dillon, after which the quartet sang "But the Lord is Mindful of His Own" by Mendelssohn. Rev. Williams then read the Scripture lesson. Mendelssohn's "The Lord is Great" was beautifully sung by the glee clubs. Dr. Long then preached a very helpful and inspiring sermon on Ideals, followed by "America" sung by the congregation.

As announced last week, the Model School gave an operetta "The Crystal Queen" at the Opera House, on Tuesday evening, as their final pro-

gram of the year. The parts were all sustained very well and the whole showed much hard work and effort both of the teachers and pupils. The butterflies, bumblebees, fairies, and "wooden" soldiers, were attractive and added much to the pleasure and amusement of their friends. The bicyclists, the duelists and policemen furnished entertainment of merit. The fairy queen and her attendants were charming and entered into the spirit of the operetta with unusual earnestness. The teachers, Mrs. Rustin, Miss Delzell, Miss Driscoll and Miss Frazier, and the music director, Miss Copeland, are to be congratulated on the excellence of the production.

A large and appreciative audience gathered at the Opera House Wednesday morning at 10:30 to witness the Normal graduating exercises. Each number was greatly enjoyed by those present, especially the commencement oration delivered by Dr. J. R. Gettys, vice president of the normal school board. The normal school was fortunate in securing such an able speaker as Dr. Gettys, and the people of Chadron will be glad to welcome him back on some future occasion.

The last and most enjoyable meeting of the Verein Germania was held last Thursday evening in Miss Steckelberg's room. The first part of the evening was taken up with an excellent illustrated talk on Germany by Miss Steckelberg. This occasion was the first time that the new picture machine of the Normal was used for the entertainment of pupils, and it gave Miss Steckelberg a good opportunity to show plainly the beautiful scenes of Germany. Among these were many castles along the Rhine, famous monuments and buildings, and also a number of the costumes and homes of the peasants. After this, delicious refreshments were served, consisting of strawberry ice cream and assorted cakes. The tables were prettily decorated with lilacs. The club is very grateful to President Sparks for his assistance in putting the pictures on the screen, also to the committee who deserves much credit for the success of the meeting. The guests of the club were President and Mrs. Sparks, and Mrs. Loewenthal.

The class of '14 gave their class day program Thursday evening in the Normal assembly room, the seniors appearing in caps and gowns. The first number of the program was

a violin solo by Leonard Nilverson, Mary Mann playing the accompaniment. Next came the "Class History" by Mary and Frances Grewe, which was most cleverly written in old English style and related the proceedings and social functions of the class since it was organized in 1912. The "Characterization" by Hazel McCollister and Bertha Braddock, as was also the "Prophecy" by Jennie Vaughn and Nell Dowd. The latter was cast in the form of a brief farce in which members of the class were represented at their life work in years to come. Many surprising changes had taken place. The quartet by Marcia Lenington, Ermine Carmean, Charles Marriott, and Rex Coffee showed the musical talent of the class. Lloyd Grimes in the "Will" bequeathed to the faculty, to the different classes, and to individual students all their privileges and belongings. Keith Lenington presented to the Normal, in a most acceptable manner, the class gifts, the bust of Lincoln and the frieze of Washington Crossing the Delaware, which President Sparks accepted for the school. The "Giftatory" caused much merriment when George Harmony assisted by Morris Loewenthal, presented each member of the class with a gift. The best of all came when Morris presented George with the "biggest spoon" he could find. The closing number was the "Class Song", Rex Coffee singing the verses, and the class joining in the chorus. Mary Mann was the accompanist for the evening.

In reviewing the athletic activities of the Normal for 1913-14, we find that we have had by far the most successful season in the history of the school. To sum up our record, we find 13 victories, 6 defeats and 1 tie game. The best record was made in baseball. In that line we made a perfect score by winning 5 games out of 5. The girls' basketball team ranks second with 4 victories and 2 defeats; the football team third with 2 victories, 1 defeat and 1 tie game. The weakest showing was made by the boys' basketball team which won 2 games out of 5. Added to this, a new activity made its appearance this year in the form of a cross country run. Judging from the enthusiasm with which it was received, it will no doubt become an annual event. Frank Cooley was the victor in this event with Charles Loewenthal a close second. Although there were only six starters in the run this year, there is no reason why there

should not be at least fifteen men in next year's cross country run. There is no need of naming the stars of the several teams, for the record alone shows that stars were numerous. The captains of the teams handled their players in a deserving manner. Capt. Lenington of the boys' basketball team will be succeeded by Melvin Wadley. Miss Naomi Good will succeed Miss Ermine Carmean in the captaincy of the girls' basketball team. Herbert Seidell will succeed Rex Coffee in the football team.

### COTTONWOOD VALLEY NEWS

(By Herald Correspondent)

Lee Marsh and family were visiting at the Englehorn farm Sunday.

H. E. Fisher and family rode down to Glen Gentle's, near Bonner, Sunday.

Frank Parmer was driving his little Metz car around through the valley Monday.

Miss Rehder was calling at the Malley ranch Monday.

Herman Rehder had the misfortune to be kicked by a horse last week, while he is bruised up a little he escaped with no bones broken.

P. S. Malley and family drove over to Andy Causick's, Sunday. They report a splendid time and that they had a nice rain over there in the afternoon.

R. R. Reddish and family were over night visiting friends in town Monday.

Glen Gentle was in the valley Monday. He reports an interesting time Sunday night. He started his men out with a saddle horse and leading another, and when he did not show up in reasonable time Glen went to hunt him. He rode till dark and did not find him. In the morning the man rode in, he had been out visiting.

Mrs. P. S. Malley had the pleasure of a visit with her parents for a few days this week. Mr. and Mrs. Hennings of near Hemingford.

Miss Rosie Knap was the lucky young lady to capture Willy Vogle. The writer gave all the young ladies a warning last spring when he drove out with that Studebaker car, that something would happen, so if anyone feels slighted it is their fault. We congratulate Miss Knap on her choice and hope that they will be prosperous in life.

G. G. Clark and family, J. C. Hawkins and wife all took an auto trip

to town Sunday and were the guests of Mr. and Mrs. Carr for dinner. They report a fine time coming home in the rain.

G. G. Clark called in the service of a veterinary Tuesday to help him doctor some horses.

### \$100 Reward, \$100

The readers of this paper will be pleased to learn that there is at least one dreaded disease that science has been able to cure in all its stages, and that is Catarrh. Hall's Catarrh Cure is the only positive cure now known to the medical fraternity. Catarrh being a constitutional disease, requires a constitutional treatment. Hall's Catarrh Cure is taken internally, acting directly upon the blood and mucous surfaces of the system, thereby destroying the foundation of the disease, and giving the patient strength by building up the constitution and assisting nature in doing its work. The proprietors have so much faith in its curative powers that they offer One Hundred Dollars for any case it fails to cure. Send for list of testimonials.

### COMB SAGE TEA IN HAIR TO DARKEN IT

Grandma kept her locks dark, glossy, thick with a mixture of Sage Tea and Sulphur.

The old-time mixture of Sage Tea and Sulphur for darkening gray, streaked and faded hair is grandmother's treatment, and folks are again using it to keep their hair a good, even color, which is quite sensible, as we are living in an age when a youthful appearance is of the greatest advantage.

Some days, though, we don't have the leisure to mix at home. All you need is the ready-to-use product—Hall's Sage and Sulphur Hair Restorer. It costs about 50 cents a bottle. It has been applied. Simply wash your hair with it every morning, and your hair, falling out, but what does it do? It restores the hair to its natural color and luster. It is so simple and so effective. Sold by all Druggists.
